

# REUNION 125

**Join us for the largest Pomfret  
gathering in a generation.**

**T**his year, Pomfret is turning 125 years old, and we feel like celebrating. For this special anniversary edition of Reunion Weekend, we are inviting every member of every class — not to mention current parents, former faculty, and friends of the school — back to join in the festivities.

## Highlights

---

**One Unforgettable Evening:** The heart of the weekend is a red and black gala, which begins with a cocktail reception at the head of school's house, followed by dinner and dancing in the field house, and concludes with fireworks over campus.

**Secrets of the Chapel Tour:** From crypt to rooftop, don't miss this rare opportunity to explore the "hidden spaces" of Clark Memorial Chapel with former faculty member Walt Hinchman.

**Doers & Dreamers:** This Pomfret School Gallery exhibit will showcase the work of alumni artists from yesterday and today, representing a wide range of mediums and influences.

**Open Dorms:** Join us for a guided tour of the The Bricks to see how much has changed (and not changed) when it comes to dorm life.

**Home Athletic Games & du Pont Cup Races:** Cheer on the home team during this afternoon of competition.
